U. S. WINS LIQUOR INJUNCTION CAS

STATE TAKES UP CHURCH MURDER CAS

Expect Grand Jury To Act at Once in Promised Arrests

TRENTON, N. J., Oct. 23.—The state of New Jersey took a hand in clearing up the Hall-Mills murders when Attorney General Thomas announced today that he had appointed Wilbur A. Mott, former prosecutor of Essex county, as a special prosecutor in charge of the investigation into the murders.

To Push Case

The attorney general said that supreme court justice Parker had requested him to "take over" the investigation and that he had done so.

The attorney general's department has been requested by Justice Parker of the supreme court to "take over" the Hall-Mills murder case. The attorney general has deputized Mr. Wilbur A. Mott of Essex county, who for 18 years has been a prosecutor and assistant prosecutor of the pleas of that county, as deputy attorney general in special charge. Mr. Mott will assume charge of the case at once. This action was taken by Justice Parker at the joint request of Mr. Stricker, prosecutor of Middlesex county, and Mr. Beckman, prosecutor of Somerset county.

Mott is one of the leading criminal lawyers of the state of New Jersey.

Lines New Witness

NEW BRUNSWICK, N. J. Oct. 23.—With the possibility of one or more grand jury indictments today or tomorrow the investigation into the double murder of Rev. Dr. Edward W. Hall, rector of the fashionable Protestant Episcopal church of St. John the Evangelist, and the beautiful choir leader, Mrs. James Mills has veered into new channels today.

Evidence has been found indicating that Mrs. Mills was not the only woman in the life of the clergyman. It is learned that Hall sent a telegram to New York City to some woman who has not yet been identified, reading:

"Will be at your apartment late this evening."

At the same time Dr. Hall sent a message to his brother in law, Henry Stevens saying that he would be able to keep an engagement that the two had together.

One theory was advanced that Dr. Hall and Mrs. Mills may have had a meeting place in some woman's apartment in New York City. Another theory was that Dr. Hall was friendly with the New York woman and called upon her at times.

Women are coming to figure in the case more and more.

Raymond Schneider and Clifford Hayes who were in the vicinity of the Phillips farm on the night that the murder was committed—Sept. 14—have told the Middlesex and Somerset county prosecutors that they saw one or more women whom they recognized as members

BILLIONS LOST TO U. S. BY CONTRACTS

War Dealings Resulting in Profiteering Are Unpunishable

WASHINGTON, Oct. 23.—Several billions of dollars paid out by the government on fraudulently made war contracts never will be recovered, because in the thousands of cases representing those vast payments dishonesty and conspiracy cannot be proved, it was declared officially at department of justice today.

The department of justice admits that profiteers in many instances in actual league with officials of the government, covered up their tracks so well that government agents are now unable to clinch cases against them. Many of these cases involve war department and shipping board contracts. In many instances the litigation has been brought to the grand jury stage but has ended there with the discovery that lawyers for the defense had cleverly blocked action.

The attorney general's reports show, however, that in the drive against profiteers four hundred square cases, many of them of great magnitude and representing hundreds of millions in money paid out wrongfully by the government are now undergoing process of liquidation in civil or criminal actions in the federal courts. The department predicts that most of these cases will be terminated successfully for the government with recovery of substantial part of the sums involved.

The government's greatest loss on war contracts, the department declared resulted from improperly made contracts wherein the interest of the government were not pro-

HORACE BEAVOR HOME ROBBED

Horace Beavor reported to the police last night that some one had entered his home at 153 Cleveland street and stole a revolver, flash light and a $20 bill. The family had been away for several days so that it is not known just when the burglary was committed.

PEGGY BEAL IS READY TO "TELL STORY"

Slayer of "Perfect Lover" Will Rely on Tale of Tragic Love Moving Jury to Free Her of Murder Charge

KANSAS CITY, Mo., Oct. 23.—Pale and wan, Peggy Beal, self confessed slayer of F. Warren Anderson, her "perfect lover," went on trial in criminal court here shortly before noon today for murder.

Selection of a jury was begun at once. Thirty four veniremen had been summoned.

KANSAS CITY, Mo., Oct. 23.—"Peggy" Beal, pretty, bobbed hair slayer of Frank Warren Anderson, Kansas City and Philadelphia clubman whom she had dubbed her "perfect lover" stands today in the shadow of the penitentiary.

A tale of tragic loneliness of chance acquaintanceship which ripened into mutual love of a month of blissful happiness together, then of disillusionment and his death at her hands, unfolded to a jury in criminal court here today when Peggy goes on trial for murder in the second degree.

Peggy will go before her judges as the self appointed avenger of 51 women whom she says Anderson confessed to her had suffered broken hearts because of him. She says she was 51 on a list he exhibited to her in their room at a downtown hotel on the night of June 3, and which was the immediate cause of the shooting. She will be the only witness in her own defense.

Both the state and the defense have announced they will take the first twelve men who enter the jury box.

Peggy killed Anderson June 3, when he confessed to her, she says that she was 51 on a list of women whose hearts he had trailed with. She turned the pistol on herself but later recovered.

HACKENSACK, N. J., Oct. 23.—The "unwritten law" as a protection for the sanctity of the home, will be invoked by George A. Cline, motion picture director who, with his brother in law, Charles Soullio and 19 year old Alice Thornton, an actress were arraigned here today charged with the murder of Jack Bergin, a moving picture stunt actor.

LOS ANGELES, Calif., Oct. 23.—Will the iron nerve of Clara Phillips, "tiger woman" and alleged "hammer murderess" of pretty Alberta Meadows break under the strain of her trial? The former show girl entered the courtroom today tired and visibly "on edge." According to jail gossip, she was near a collapse over Sunday.

BERNARD BAKER, 21, TO BE BURIED WEDNESDAY

The remains of Bernard Baker, 21, son of Mr. and Mrs. P. F. Baker 312 Winckles street, are at the Sudro parlors, having been shipped here from Bonnsville, Mo., where he died on the 18th after a three day's illness.

He is survived by his parents and the following brothers and sisters: Mrs. Beulah Rogers, Grafton, Mrs. Retha Baker, Columbia; Mrs. Bernice Commerford, Beatrice, Mary, Vera Carl, Ward and Frank all of this city.

Funeral services will be held at the home, 312 Winckles street, on Wednesday morning at 10 o'clock, conducted by Rev. Edward Bosworth. Burial at Ridgelawn.

BABY EATS RAT POISON, DIES

CINCINNATI, Oct. 23.—Bessie May Thomas, 21 months old daughter Herbert Thomas, Latonia, Ky., swallowed a quantity of rat poison Monday while playing in a garage near her home. She was found by her brother with the box of poison still clasped in her hand and was writhing in agony from its effects. Heroic efforts to save the child's life failed and she died several hours later.

LAST OF "BIG FOUR" PASSES OFF STAGE OF INTERNATIONAL POLITICS

Left to right: Lloyd George of England, Orlando of Italy, Clemenceau of France and Wilson of America.

The political stars of the "Big Four" who carried the destinies of their countries through the World war, one by one, have set. Premier Orlando of Italy fell first; Premier Clemenceau of France followed, President Wilson's party and candidates was defeated in the 1920 elections, and now Lloyd George, "the greatest of them all," has gone down to defeat at the hand of his political opponents. Lloyd George may "come back," but the others seem "gone forever."

LAW ACCEPTS PREMIERSHIP OF BRITAIN

Is Elected Leader of Conservative or Tory Party; New Cabinet Appointment to Be Made Tomorrow

LONDON, Oct. 23 (5:45 pm)—Andrew Bonar Law late this afternoon formally accepted the British premiership from King George becoming England's first Tory prime minister in seventeen years. The personnel of the new cabinet will be announced tomorrow.

Andrew Bonar Law was elected leader of the conservatives (Tory Party) this afternoon. He declared that he could not formally accept the premiership in succession to David Lloyd George until the Tories admitted his leadership.

Mr. Law's election was unanimous all the 439 members present voting for him. The Tory group supporting Austen Chamberlin was not reported.

Before the Tory meeting broke up, Mr. Law addressed it in a hearty unity. He said that an Irish policy compatible with the union of party, would be maintained.

Mr. Law went to Buckingham palace to see King George at 5:00 o'clock.

Mr. Law said that his policy as premier would be one of "tranquility and 'minimized commitments,'" adding:

"Mr. Lloyd George said that he was honest to the point of simplicity. I am glad this epithet of simplicity does not imply stupidity. I am a common place man for common place people.

"The charge that the revolt against the coalition government was started by wealthy people is laughable."

Lord Curzon who will hold the post of foreign secretary until his successor is announced today proposed to France and Italy that the Near East peace conference be postponed owing to the political situation in England and the forthcoming election.

MOTHER OF "TWINS" TO SUE FOR A DIVORCE

SOUTH BEND, Ind., Oct. 23.—Mrs. Hazel McNally, acquitted last Friday in Hammond Ind., of having murdered her "doll children" will file suit for divorce against her elderly husband, Frank McNally as soon as her residence is legally established, her attorney Samuel P. Schwartz, announced here today.

COUNTY HOME MANAGEMENT IS PRAISED

The county commissioners have received a letter of commendation from Elizabeth V. Clark, superintendent of the division of charities of the state in which she says unstinted praise of the manner in which the county poor is conducted.

Special mention is made of the perfect co-operation between the commissioners and the superintendent whereby the best interests of the inmates are concerned. Also the happy relationship and understanding existing between superintendent and Mrs. Baus, and all the inmates.

Approval is given of the good order and sanitation throughout the entire home including the barns and out houses. Good food, good clothing and harmony are spoken of as being general.

The letter ends with the statement that in but two or three other homes in the state is so high a standard maintained as had been found by the state board. The only criticism was that while the social opportunities and occupation were up to the average they might be improved.

STICK PIN CAUSES AN ASSAULT CHARGE

Steve Nagi was brought into court this morning on a charge of assault and battery preferred by Mathew Radl, who alleged that he had struck his daughter Margaret Radl, last Friday night while she and a number of other girls were returning from a dance. The trouble was over a stickpin that he claimed she refused to return to him, after they had ceased to be friends. Miss Radl testified as to the assault, which was not a bad one, and Nagi contended that he did take hold of her but not to strike her. He also said that he had sat on the front porch of the Radl home until an early morning hour. When this statement was made, Mathias Radl jumped to his feet and said it was a lie, and that he would get Nagi for that statement. An officer quieted him, but after the case was over the officer again had to interfere to prevent trouble. Nagi was fined $5 and costs.

C. E. Kropp, chauffeur on the Lorain-Elyria bus line was fined $5 and costs in police court this morning for violating the traffic rules. He came within an ace of running into Councilman D. T. Howell's automobile on Court street when he turned the wrong way.

PASTOR'S "MATE" SOUGHT ADVICE ON LOVE MATE

Mrs. Mills Opened Heart to Her Sister and Husband But Was Given No Encouragement

(Copyright 1922 By International News Service)

NEW BRUNSWICK, N. J.—Oct. 23.—The revelation that Mrs. Eleanor Mills was troubled over her clandestine romance with Dr. Edward W. Hall, rector of the church of St. John the Evangelist and sought the advice of a sister on her tangled love affair was made to International News Service today by Mrs. Elsie Barnhardt her sister, who lives in Paterson, N. J. Mrs. Barnhardt told how Mrs. Mills had come to her during the latter part of August, barely two weeks before the double murder and discussed her relations with Dr. Hall.

"My sister came over here and had a talk with me on her affair with Dr. Hall," Mrs. Barnhardt said. "She wanted to confide her marital troubles to me. My sister told me that she was infatuated with the rector. She wanted advice. I reminded her that she was older than I and told her she didn't need to be told that what she was doing was not right. I reminded her that she had a husband and two children and that people frowned on that sort of thing. I said to her you are living a lie. Nothing good can come of it.'

"She continued talking about her feeling for Dr. Hall and his feeling for her. I made it plain to her that I didn't approve of what she was doing. I told her again 'Eleanor you are living a lie. Nothing good can come of it.'

"My husband, Frank, was with [illegible]. We were sitting on the porch of my home here. Eleanor

FATHER WORLD'S GREATEST WAR HERO NEAR DEATH WHEN HIT BY AUTO

CINCINNATI, Oct. 23.—William H. Wiltshire, 67, Fort Thomas, Ky., father in law of Sergeant Samuel Woodfill, who was named by General Pershing as the war's greatest hero, is in a serious condition in a Cincinnati hospital after being struck by an automobile yesterday in this city. He is suffering from a number of fractured ribs and possibly internal injuries. Members of his family did not know of the accident until informed by reports several hours after it happened.

Enforcement Edict For Ships Upheld To Appeal Decre

NEW YORK, Oct. 23.—The right of the federal government to forbid the carrying of liquor on ships of American registry and to prevent foreign ships from having liquor within the territorial waters of the United States was upheld today by Judge Learned Hand in the United States district court.

Contends In Power

The ruling of Attorney General Harry M. Daugherty declaring the carrying of liquor on American and foreign ships illegal, was upheld by Judge Hand. The jurist held that the Volstead act gave the government the power to impose such restrictions upon the maritime liquor traffic.

Judge Hand's decision carries with it a denial of the injunction asked by the Cunard, Anchor French Line and other steamship services which sought to have the internal revenue officials restrained from enforcing the regulations promulgated by the treasury department on the basis of Attorney General Daugherty's ruling.

Judge Hand's decision however does not settle the fight as the steamship lines already have declared they will carry their fight to the United States supreme court for a final ruling.

Judge Hand ruled however that foreign ships might carry with them "on the eastbound voyage sufficient liquor to provide necessary rations for the crew. The foreign ships, in arguing for an injunction had contended that the question on board was "ship stores" and was an essential of the rations provided for crews.

This phase of the decision will prevent foreign ships leaving American ports from carrying a stock of liquor for sale over the bar on the high seas to passengers aboard the vessels.

"So far as I can see," said Judge Hand, in his opinion, "in the case the plaintiff has no case. Therefore I will go no further than issue an injunction against interfering with the carriage of a stock necessary for the crews rations on the eastbound voyage.

"The plaintiffs must each give a bond, in the sum of $25,000 conditional against the use of such stocks for any other purpose than as crews rations."

The effect of this ruling as ordered by Shipping Board is all ships sailing to American from a foreign port may carry a stock of liquor for passengers to be sold at sea. They may not however, bring this stock into American ports, and upon leaving the ports of the United States, cannot carry a supply larger than is required for the needs of the crew.

Must Obey Laws

"The supension of a law of the United States, Judge Hand continued "especially a law in execution of a constitutional amendment," is of itself an irreparable injury which no judge has a right to ignore. The public purpose which the law was intended to execute, have behind them the deep conviction of things [illegible] whose will should not be thwarted from what they conceive to be for the public good.

"I have nothing to say about the wisdom of the amendment or the law, but wise or not, one thing is clear, that a drink of whiskey is as hurtful to health and morals outside as inside Ambrose. (Ambrose light marks the three mile limit zone of New York harbor). If we were to substitute cocaine or opium for alcohol, it would be the same."

Judge Hand indicated strongly his belief that the hands of law enforcement officers should not be tied by court rulings except in very clear cases.

It is at best a delicate matter for a judge to tie the hands of other public officers in execution of their

NO. RIDGEVILLE CHURCH 100 YEARS OLD

Centennial Services Sunday Were Largely Attended; Festivities Close Wednesday

RIDGEVILLE, Oct. 23.—The First Congregational church of Ridgeville celebrated its 100th anniversary yesterday with special services. It was a perfect day and the result was an exceptionally large attendance, there being many former residents who came from a distance to be present.

At the morning service there was special music by the choir and Miss Edna Sharp, of Sandusky, sang a solo. Rev. J. P. Reddinger, a former pastor, gave the invocation. The anniversary sermon was delivered by Prof. T. W. Graham, of Oberlin. He took no subject, but dwelt on the progress of the church, and the great strides it had made since its beginning. The sermon was a strong one and showed considerable thought and preparation on the part of the speaker.

At the Sunday school which followed, the address was given by Rev. Mr. Young, pastor of the church. He told a series of stories of the early days and struggles of the church and school for existence, that were exceedingly interesting.

The evening meeting was addressed by Rev. Dan F. Bradley, pastor of Pilgrim church, Cleveland. His sermon was devoted to what the church at large has accomplished, giving an interesting array of facts in his usual vigorous and entertaining way. At this session the choir was augmented by a number of Elyria singers and special music was furnished. Miss Edna Sharp also sang another selection.

Wednesday evening the celebration will be continued when a community supper will be served. The address will be given by Rev. [illegible] McConnell, a former pastor now of Cleveland.

THREE FIRES KEEP FIREMEN BUSY SUNDAY

A barn and haystack belonging to J. Vagasi, 533 Irondale street were destroyed by fire at 11 o'clock last night, and the family cow that was located in the barn was burned to death. Engine companies No. 1 and 3 both worked at the fire as they had to lay a long line of hose in order to reach it. The fire was of unknown origin and the loss was about $500.

At 9:00 o'clock Sunday morning the department extinguished a fire on the roof of the home of H. J. Gates, 1212 Lake avenue. No. 3 fire company was in first on this fire, and No. 1 also responded.

At 6 o'clock last evening a lively grass fire called out a good sized squad from No. 1 to the field and brush piles near Prospect and Gafford street. Prompt work saved a heavy loss to timber in that vicinity.

MINNEAPOLIS, Minn., Oct. 23.—Settlement of the strike of railroad shopmen on the Soo Line has been effected, it was announced here today.

Enthusiasm Abounds For Candidates in County G. O. P. Tour

In spite of bad weather the county tour of Carmi Thompson, candidate for governor, Frank Whittemore, candidate for congress, and other candidates and republicans started out on time this morning, with about thirty members.

The first stop was made at Grafton, where Carmi Thompson, Frank Whittemore and State Senator J. F. Burke all spoke to a fair sized crowd. Mr. Burke in introducing Carmi Thompson called attention to his long record of public service as speaker of the House, secretary of state, treasurer of the United States, and as a member of the disarmament commission. It was he who introduced the resolution prohibiting the use of poison gas in future wars.

Colonel Thompson, in his address called attention to the charge that the public utilities commission had ceased to function in the interests of the people and had lost its usefulness. He promised if after he was elected he found that these charges were true not only this commission but all others that were not functioning properly would be brought up with a jerk. It is a real State problem that must be solved. He did not know whether the charges had foundation but would investigate them when he assumed responsibility.

He declared that the State reorganizing of the government has already laid the foundation for more and better business in State affairs. The bill was not perfect, but the democrats have not suggested its repeal, and that while time might suggest changes for the betterment, it was an advance forward. If elected he promised that all supplies and materials would be bought of the lowest and best bidder, and that every employee from governor down would have to give a $1 worth of service for every $1 paid them.

At LaGrange the above speakers and Ross Funk, candidate for judge of the court of appeals, spoke to a good audience. At Wellington the party stopped for dinner.

Before returning here speeches will be made at Oberlin, South Amherst and Amherst.

The party will be in Elyria tonight at 5:30 and will hold a meeting in the public park. Candidate Thompson will speak and will be introduced by J. F. Burke. Every republican and every voter in the city is urged to be present and hear the issues of the campaign discussed.

AUTOMOBILISTS' SAFETY FIRST

A gentleman telephoned yesterday and expressed pretty emphatically and clearly his ideas as to whether automobilists would, and should vote for the Liquor Amendment.

He recalled the days of the numerous accidents to automobilists on the road, and then stated that he had just returned from a trip to a distant point. He said that he had kept track, and that he saw only one accident, or the result of one accident, and that was one due to skidding. This is an important suggestion.

The number of automobiles have been increasing at a geometrical ratio. We have several times as many cars on the highways now as we had but a few years ago, when liquor conditions prevailed. Then accidents were many. Drivers half-crazed by drink were constantly leaving the line and driving like mad around other automobiles, even though machines were going rapidly in either direction.

We all remember those days. But, even with the increased traffic on all our highways, such accidents are so rare today that they are negligible.

In the interest of safety the automobilists will vote dry.

LYMAN ABBOTT

Dr. Lyman Abbott, Editor of The Outlook and former pastor of Plymouth Church, has passed away. The service which Mr. Abbott has rendered to the world has been of incalculable value.

Dr. Abbott like thousands of others, developed his powers and possibilities by ambition and necessity. His early life was in such an environment that he learned lessons from privation and knew the value of toil.

He studied law, was admitted to the Bar and then prepared himself for the Ministry. At the same time engaging in literary pursuits. He succeeded Henry Ward Beecher as pastor of the Plymouth Church in Brooklyn, and finally resigned to devote his entire time to The Outlook.

Dr. Abbott was liberal in his religious views, and his writings and his lectures have been very valuable in meeting the doubts and showing the problems, which arise in young student minds.

His greatest usefulness, in our judgment, however, has been in his recognition of the unity of life's work instead of departmentalizing it as many others do. He applied religious teaching to the social and civic problems of the citizen. It was this phase of his work which undoubtedly attracted and won the attention and co-operation of the late Theodore Roosevelt, who for a period was associated with Mr. Abbott as an editorial writer of The Outlook.

Dr. Abbott was a quiet, unassuming personality, persistent, studious, painstaking and scholarly. There are unquestionably millions to mourn his loss. He leaves a void in American life which it will be hard to fill.

UNFAIR METHODS OF ELIMINATING COMPETITION

The villages along the route of the taxis and busses plying between cities are passing ordinances imposing a license fee upon such busses for passing through their confines. The price that is tacked on to the bus or the license fee is usually about $250. Two or three intervening villages, hanging this sort of a can upon them, in addition to the fee that the busses must pay at their terminals, will promptly raise the total tax paid by the busses to a thousand or fifteen hundred dollars a year. This is quite a tidy sum to be paid by a single bus for the privilege of performing a service to the people.

But as a matter of fact the real object is not to tack this on for the privilege of performing the service, but to keep the [illegible] from running at all, and therefore to prevent [illegible] service. Of course this [illegible] electric lines that are plying [illegible] present time.

Moisture resistance of Carey Board

Equal sized strips of Carey Board and three competing boards were placed in a tub of colored water three inches in depth.

After a few hours all boards except Carey were stained with absorbed water quite a distance up. All except Carey were stained clear to the top in a few days.

PLASTER often cracks because moisture dries out of it. Wood often swells and warps because it takes on moisture sometimes, and later dries out.

Carey Board is moisture-proofed as no other board is moisture-proofed to guard against the effects of moisture.

1. The material of which it is made is moisture-proofed integrally in the process of manufacture.

2. The surface is sized and the sizing forced in under heavy rollers when the board is finished.

3. The layers are cemented together with asphalt, the most perfect water-proofing material known to science. This is an exclusive feature of Carey Board.

Convert unused space into useful attractive rooms with Carey Board.

Her Rheumatism Has Entirely Disappeared

The successful treatment of rheumatism by taking Tanlac is one of the outstanding features of that remarkable medicine. Thousands of people everywhere have testified that it has brought them complete relief from this torturous disease. Mrs. M. Hickey, of 1313 Milburn Ave., Toledo, Ohio, says:

"For seven years I was in a very weak, run-down condition, but my worst trouble was rheumatism which was so bad I could hardly walk. Tanlac built up my whole system wonderfully and I hardly notice any rheumatic pains any more; in fact, I feel better than I have in years."

When the digestive system, liver and kidneys are not wroking properly, uric acid and other impurities accumulate in the muscles and joints, causing rheumatism. Tanlac quickly overcomes this condition by enabling the vital organs to perform their functions properly. Get a bottle today, at any good druggist.—Advt.

WM. G. SHARP FINDS EUROPE IN BAD MESS

Hon. William Graves Sharp and wife have returned from a three months trip to Europe, spending most of their time in France, and particularly Paris.

The former Ambassador stated today that he found European conditions much more serious than he had anticipated. The financial question was one that affected all the governments, and he stated that there was a spirit of unrest in some of them almost bordering on rebellion. This was especially true in Russia and Turkey, and it might be in case of an alliance between the two, the Allied governments would have to step in. Domestic conditions in Italy were also bad and the government was unstable in his opinion The retirement of Lloyd George he believes will be of more portent than many people believe, as he was the strongest man in England

Mr. Sharp stated that he traveled into Czecho-Slovakia and was the guest of President Masafyk and Premeir Benes. They also visited Dresden Germany, and found the nation quiet, and exceedingly industrious He attended several conferences as a spectator of the League of Nations assembly. All around Mr. Sharp states that they had a most delightful time, and would remember the trip as one of the pleasant experiences of their lives.

HOLDUP VICTIMS LOCKED IN COOLER

CINCINNATI, Oct. 23.—Entering John J. Murphy's saloon on Central avenue shortly after it opened for business Monday, three bandits held up three men in the place and robbed them of $1,080 in cash, $700 in winning race track tickets and jewelry valued at $1,300. The victims then were herded down cellar and into the beer cooler.

British Duke Ex-Communicated Through Marriage

LONDON, Oct. 23.—A sensation was caused in high social circles today by the action of the bishop of Oxford in barring the Duke of Marlborough from the diocesean conference of the Anglican church on the ground that his divorce and subsequent marriage to Miss Gladys Deacon, of Boston, makes him a non-communicant, under the church laws.

The Duke of Marlborough was divorced by his first wife, formerly Conseulo Vanderbilt, in 1920 The following year he was married to Miss Gladys Marie Deacon, daughter of Edward Deacon of Boston.

tered There also were important settlements made by various government agencies including some of the independent agencies that were set up hurriedly by war necessity

It now develops that in some of the more important cases which the government expected to guess all records which might shed light upon the transactions have been destroyed In a considerable number of cases it is suspected that men who then occupied important posts in government service, conspired with contractors to destroy evidence of their wrong doing.

Disclosures attending investigations indicate that hundreds of important contracts were entered into by the government with great corporations and manufacturers without proper examination of conditions and requirements, "the department said.

"These contracts were made without the exercise of sound judgment, with carelessness that reflect no credit upon those agents of the government entrusted with authority to negotiate such contracts

"Billions of dollars were squandered through this class of contracts—billions that never can be recovered"

The department of justice now is making an effort to rush prosecutions in at least 150 cases of war fraud group In some of these cases court proceedings may be avoided by settlement out of court

of prominent New Brunswick families.

The chief difficulty, however, is to get those women to admit that they were in the vicinity of the farm and Buccleagh, adjoining, because of the bad reputations these places have with the good people of the community. It was customary for men and women to carry out in the romantic and frequently illicit love trysts in the lanes running through the farm and the park.

Hall Sent Telegram

Hall's telegram to the woman of mystery in New York City was sent the latter part of August, or about a fortnight before he and Mrs. Mills were shot to death and their bodies laid out in orderly fashion under the little crabapple tree on the old Phillips farm.

This information gave Prosecutor Joseph Stricker, of Middlesex county and Prosecsutor Azariah Beekman, of Somerset county a new lead upon which to work. If Hall was in the habit of sending telegrams it would be possible to search the files of the local telegraph offices to get copies.

It was persistently reported that the pistol and the knife with which the murders were committeed had been found and that they would be introduced at the grand jury investigation.

It has developed also that Mrs Mills had another lover in addition to Dr Hall and that this man pressed his suit so ardently that Mrs. Mills complained to Dr. Hall and asked him to hire a private detective to protect her from annoyance.

While the county authorities have refused to divulge the identity of the grand jury witnesses, it is the accepted belief that the grand jurors will be told that an automobile was seen to enter De Russey lane on the night of the murder and that the persons in it were recognized Later the same night the same car was seen speeding out of the lane after four shots and screams had been heard

Three women who are suspected of knowing something of the crime were examined by County Detective George Totten over the week end In order to save these women from publicity, they were on the stand in secret and the... stories taken down by stenographers.

Witnesses Summoned

Later in the day it was learned that among the witnesses summoned before the grand jury at Somerville, were Miss Addison Clarke, referred to in the correspondence between Mrs Mills and Dr Hall as "Minnie" and Ralph V M Gorsline a member of the vestry of the Church of St John the Evangelist

Mrs Clarke was a member of a party which included Mrs Mills, Dr Hall and Mrs Hull that had gone to Lake Hopatong on an outing the day before the murder took place

Gorsline is said to have passed the Phillips farm, where the bodies were found on the night of September 14 when the killing occurred

A member of the New Jersey state police complained that the state policemen investigating the case are compelled to work under direction of the county authorities and that their hands are tied." He said that if the investigation showed that the whole case moved about a little circle of several persons.

duties as they understand them," he said And the books are full of admonitions against doing so except in very clear cases."

To Appeal Decision

WASHINGTON, Oct 23—The government will ask foreign ship lines in clearing up the question of their liquor rights by expediting a quick appeal of Judge Hand's decision to the United States supreme court, prohibition Commissioner Haynes said today when informed by International News Service of Judge Hand's decision

"I anticipated the government would be upheld and we are ready to move expeditously in getting the whole question before the supreme court," Haynes said. Meanwhile regulations enforcing the Daugherty opinion will go into effect They will be ready in a few days."

A decision by the supreme court possibly within thirty days was predicted by Haynes as probable.

Solicitor General Beck is prepared to appear before the supreme court and ask for a decision as soon as the appeal noted at New York by the foreign ship companies has reached the supreme court

Until the supreme court decides the status of beverage liquors brought into American waters by foreign ships, the government will pursue a policy "laying off" drastic steps toward the foreign ship lines Prohibition Commissioner Haynes said there is nothing left to do, under the law, but enforce the Daugherty ruling, but he declared that government customs and enforcement officers will refrain from any course of action that might invite serious international dispute until the whole matter is cleared up by the supreme court

General agreement is said to have been reached between officials of the department of justice, the state and treasury departments, that in view of the early decision now possible by the supreme court that the government should virtually "mark time" and await judicial determination of the disputed issues

"We do not anticipate any flagrant violation of the Daugherty ruling," Commissioner Haynes asserted. "We are prepared to handle them if they occur but all interests concerned, including the foreign ship owners are co-operating with us to the end that there be no occasion for criticism pending the time when the court removes all doubt as to what was meant by the eighteenth amendment, as affecting foreign ships with liquors, within American territorial waters."

Dismisses Appeal.

WASHINGTON, Oct. 23.—The constitutionality of the Volstead law was again upheld indirectly, bu the U. S. Supreme cour today.

The court dismissed the appeal of John O. Crosland, of Florida for release from federal custody Crossland was charged with smuggling liquor. Crosland carried and appeal on the ground that the Volstead law was unconstitutional because there had been no delegation of peace powers to congress.

OBERLIN PROFESSOR TO PRESIDE AT BIG MUSIC CONVENTION

OBERLIN, Oct. 23.—When the annual meeting of the National Music Supervisors is held next year in Cleveland, Prof. Karl Wilson Gehrkens of Oberlin conservatory, recently elected president of that body at the meeting in Nashville, Tenn., will be in charge. Prof. Gehrkins has refused this honor several times, but said that as the meeting is to be held next year in Cleveland, he would accept the office.

He is the author of three books dealing with musical subjects. They are "Essentials in Conducting," "Music Notation and Terminology," and "An Introduction to School Music Teaching"

Prof. Gehrkins has been prominent in teachers' associations, particularly the Music Teachers' National Association, of which he is editor, and the Supervisors' National Conference, of which he is a director.

He was graduated in 1905 from the Oberlin Conservatory of Music, where he majored in psychology and education in the college, and organ and theory in the conservatory. After teaching two years in the Oberlin high school he assumed charge of the school music department in the Oberlin Conservatory of Music and became at the same time supervisor of music in the Oberlin public schools. He has held these two positions ever since, and under the direction the school music department in the conservatory has grown to be one of the largest in the country.

Officers who will be associated with Prof. Gehrkens are Mrs. Mary S. Vernon, Chicago, first vice-president; Oscar Bowen, Ann Arbor, second vice president; Alice Jones, Evanston, Ill., secretary; A. H. McPhee, Johnson City, Tenn., treasurer.

MY MARRIAGE PROBLEMS

Adele Garrison's New Phase of

Revelations of a Wife

Copyright, 1922, by Newspaper Feature Service, Inc.

The News That Lillian Gave to Madge.

"Well, Madge! The trick is turned!"

Lillian's voice held gratified triumph as, after coming swiftly into my room and locking the door behind her, he came up to me, put her hands on my shoulders, and uttered her cryptic little sentence.

It was the morning of the fourth day following the dramtic exit of the man, Smith, from the neighborhood, and while I had shared somewhat her tense suspense as to the success of Allen Drake's espionage, the uneasiness caused by Dicky's silence and Dr. Pettit's accusation, which I could not altogather banish from me, had crowded my interest in the government work into the background. But her triumphant paean brought back my interest, and I clutched her excitedly.

"You mean you've heard from Mr. Drake?" I asked.

"Five minutes ago," she said. "A long telegram. Want to read it?"

She was so matter-of-fact that I had no suspicion of anything out of the ordinary as she put some telegraph blanks in my hand. And then as I scanned seemingly minute data conderning the yield of wheat and other crops of a Canadian farm with directions for the negotiation of a sale of the property, I looked up at her in amazement, to see her lips twisting into an amused grin.

"Oh, I see'" I said, glad that the strain upon her nerves had lifted sufficiently for her to jest. "A code'"

"One of little Allen's niftiest," she replied. "Would you like to decipher it, shall I tell you what is in it?"

He's Too Foxy."

"Tell me the gist of it now," I said later, I'd like to take a whirl at deciding it, but that can wait."

"I think you'd enjoy it," she said, "but here's the news. The gifted Mr. Smith and I them a long and merry chase, through the Adirondacks and up into Canada. He's at a hotel just now in one of the smaller cities, but Allen thinks he's going to buy a country place near and settle down for awhile. At any rate, he's safe for a few weeks, and he won't move without Allen knowing exactly what he's doing."

"Did he give any clue to the man you're watching for—the big official of whom you spoke?"

"Not yet. He's altogether too foxy to involve that man when he's doing as he supposes, for his life. Of course, he figures that he's outwitted us. But he's a cagey customer, and he'll take no chances for awhile. Now we can tackle the other angle."

I looked my inquiry and she answered the look promptly.

"That man in the hospital!" she smiled. "Dr Pettit is just waiting the word from me to give permission for his supposed employers to remove him, and I'll send the word at once. We have learned that when Jerry Ticer telephoned that I would like to consult him about having my tonsils removed, he is to get busy immediately I must rout out the redoubtable Jerry. Can you imagine his interest in my supposed misfortune?"

What Puzzles Lillian.

"He may offer to doctor you himself with some of his mother's famous mixtures," I laughed.

"I'd as soon try them as the ordinary medical nostrum" she retorted, and I smiled as I remembered her insistence upon other people taking remedies, as contrasted with her own hatred of medication

"This will mean Katherine going When?" I asked anxiously.

"Tomorrow, no doubt."

"Shall we be able to see her?"

"Of course, but it's going to be a ticklish performance to manage I've been trying to figure out some way She can't come here, we can't go to the hospital and I don't dare risk a meeting at Dr Pettit's office You see, there mustn't be the slightest connection between her and us in the minds of those devils who are posing as Joe's employers. As Joe's nurse, Katherine will be perfectly safe, but if they should suspect her identity I wouldn't give that for her life"

She snapped her fingers contemptuously, and an icy little shiver ran down my spine I never can get used to the thought of danger, which Lillian meets in so matter-of-fact a manner both for herself and her friends

Wouldn't it be better then," I ventured, "for her to go without trying to see us?"

"Can't be done," she rejoined quickly. "I am compelled to see her to give her some personal directions."

Pipe From Auto Derailed Train; One Man Killed

WEST NEWTON, Pa., Oct. 23.—Baltimore and Ohio Railroad express number 69, the Clarksburgh-Pittsburgh flyer, northbound, was wrecked at Sutersville, near here just before noon today. Pipe jolted from a truck when a driver stepped on all the gas in his car to avoid a collision at a grade crossing and derailed the huge locomotive and sent it plunging across a street and into a yard. Two express cars and two day coaches, one filled with pasengers, were ditched. J. B. Imhoff, of Pittsburgh, fireman on the flyer was killed and a score of passengers injured. Engineer George Stein of Meyersdale, Pa., also was seriously injured.

TO RENT HOUSES TO FAMILIES WITH KIDS

LORAIN, Oct. 23—High Dewell, steel plant policeman, and the owner of eight houses in the government reservation, has announced that hereafter he will rent houses to no one unless they have children "I am going to give the kids a chance," said Dewell, "as I like them and they ought to have a chance to live.

SHOT BY MARSHAL AFTER LEAVING FREIGHT

CINCINNATI, Oct 23—William Mays, 21, Lockland, Ohio, is in a serious condition at the county infirmary from a gunshot wound in the back, received when he jumped from a freight train yesterday near Lockland and ran through a cornfield.

The village marshal was told that railroad detectives on the watch for persons who had been stealing coal from trains shot the man, but the chief of the local B & O police department denied today that his men had anything to do with the case.

FILES DIVORCE ANSWER

George Gee, of Lorain, has filed his answer and cross petition in the divorce proceedings begun by his wife, Lena Gee He states that their entire trouble is due to her violent temper, stating that she is quarrelsome and fault finding, and that their home was the scene of continual strife and contention. He alleges she has grossly mistreated and insulted his friends and relatives, and that her actions has caused them to separate several times.

or then appealed to my husband.

"'You are married, Frank' she said to him. 'Now if you met some one you really loved, would you let some one stand in the way of your happiness.'"

Here Barnhardt interposed:

"I told her I didn't think it was possible for me to meet any one I loved better than my wife. I told her that it was impossible for me for that reason to answer her question."

Both made it plain that Mrs Mills got little consolation from them. Evidence tending to corroborate previous statements that Dr Hall had accompanied Mrs Mills to New York late in August when she went there to have some dental work done was revealed today through a letter Mrs. Mills wrote to her sixteen year old daugater, Charlotte. Charlotte was then at Asbury Park, N. J. The letter said in part:

"Big news; went to specialist in New York. Had teeth out and nearly died. Nearly collapsed in chair Twenty dollars went to the specialist but worth it. Fainting spell but came out all right. He, (understood) was there. Asked the doctor if there was any objection to him being with me. He said 'no' but perhaps better go in adjoining room, which he did.

"I didn't care much about taking gas but I was glad he, (understood) was there. How wonderfully good of him (understood). Your father has been calm. I will tell you something when I arrive Big

COLUMBIA

COLUMBIA SCHOOL HAS ATHLETIC ASSOCIATION

COLUMBIA, Oct. 23.—The pupils of the Columbia high school have organized an Athletic association with a membership of fifty-eight. The constitution and by-laws have been drawn up. The dues are fifty cents with an additional ten cents per month throughout the school year or a dollar and twenty-five cents. The officers are, Glenn Van Arsdale, president; Eva Prindle, secretary; Clarence Hayes, treasurer. Every pupil of both junior and senior high are boosting it. It means to help the student again mentally and physically. The activity at present is outdoor basket ball.

Schedule of games:

Oct. 26—Avon vs. Columbia, at Columbia.

Nov. 3—Penfield vs. Columbia, at Penfield.

Nov. 10—Grafton vs Columbia, at Columbia.

Two very interesting outdoor basket ball games were played Friday, Oct. 13, by Grafton and Columbia at Grafton—a boys' game and girls' game. Of the boys' team, Hayes and VanArsdale made baskets. Their score was 11-4 in Columbia's favor. The girls did well and showed improvement. The one thing very noticeable was the good sportsmanship showed by both Grafton and Columbia. Their score was 11-3 in Grafton's favor.

BOLD SCHOOL PARTY.

COLUMBIA, Oct. 23.—The first school party of Columbia Center high was held at the home of Ralph Cartwright on Friday, Oct. 13. Contrary to the day's reputation the party was a big success. There were twenty-seven high school pupils present and with the other guests this made a total of forty. The party began at eight-thirty and from then on there was a great deal of fun. There were some initiations that were great jokes to the ones on whom they were played.

Mr. Myers, principal of Columbia high, and his wife presided as chaperons.

Luncheon was served at ten-thirty and after that there were more games and more fun. The party broke up at eleven-thirty amid many good wishes and much laughter.

FIVE GOOD NUMBERS ON LYCEUM COURSE

COLUMBIA, Oct. 23.—One of the most interesting and enjoyable lyceum courses ever presented in Columbia will be given this coming season under the auspices of the Columbia High School Athletic association.

The first number will be presented by the Lincoln Jubilee Singers on Monday evening, Oct. 23, at the Columbia town hall. This number promises to be most enjoyable to all who like negro music, especially when rendered by the negroes themselves.

The second number will be a series of one act plays presented by the Scotts. The one act play is steadily gaining in popularity and the Scotts are fine impersonators so this will undoubtedly prove a success.

The third number, a lecture by P. Marion Simms, "The Apostle of Conservation in Church," will be given Jan. 4th. This should be of great interest to every one, especially to church-goers.

"Sunshine Bob" will give the fourth number of the course. He is the highest type of a comedian whose work is clean, dignified and humorous. He is guaranteed to cure the worst case of blues in the country within an hour's time.

The fifth and last of the numbers will be given by Poluhni, who will need no introduction to the people of Columbia as he was here last winter. W. J. Poluhni is considered one of the best magicians in the country and you will not see old tricks for Poluhni believes that one new trick is worth ten old ones.

CELEBRATE JUBILEE.

COLUMBIA, Oct. 23.—The Acme Grange of Columbia held an open meeting celebrating the Golden Jubilee of the Ohio State Grange Tuesday night, October 17th. There were six charter members of our grange present.

A very good program was given consisting of a speech by Hon. Geo. T. Watts of Geneva, member of the house of representatives; violin solo by Miss Evadne Van Bockern; cornet solo by Lawrence Hales, and Piano solo by Willard Krauss; a one-act play given by Mrs. Ida Heineman and children of th egrange with a good night song by ten children. Cider and doughnuts were served.

COLUMBIA PERSONALS.

COLUMBIA, Oct. 23.—Mrs. Chas. Mills spent Monday with Mrs. Merrick at Vigil, O.

Mrs. Chas. Mills spent Thursday afternoon with Mrs. McAdams at Eaton, O.

Mr. and Mrs. George Jors and family spent Sunday at the home of Mr. and Mrs. Lloyd Stranahan.

Harold Alexander of Cleveland spent the week-end with his parents.

Clayton Stranahan and wife of Elyria, spent Sunday with Mrs. Bainbridge of Elyria.

Don Van Arsdale and family spent Saturday in Wellington.

The Pamona Grange meeting at Oberlin will be held November 4th, at which time there will be the election of officers.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.

THERE IS NO HINT OF A BLOODY BATTLEGROUND HERE

A view of one of the model squares in reconstructed Ypres.

Pretty little garden villages are springing up in France where once stark desolation and bloody warfare ruled. There is little in this picture of new "model" houses to hint of former battlefields. In the little village of Sigy there are 138 little homes of the type shown here. These houses erected at a cost of 15,000 francs are et for a very reasonable rent, thirty francs a month. There is no profiteering in this and the people are gradually returning to normal living.

ONE CENT IS TURNED OVER TO UNITED STATES

CINCINNATI, Oct. 23 Judge John Weld Peck handed down an order yesterday in U. S. court here decreeing that "the sum of one cent which has remained in the custody of the court for five years be now deposited in the treasury of the United States to the credit of the United States." The penny in question was left over from the distribution of the bankrupt estate of Frank Posner in October, 1917.

COMPLETE TRIAL IN HAZING OF MIDSHIPMAN

ANNAPOLIS, Md., Oct. 23.—The trial of Midshipman Bruce H. Robinson of the first class charged with hazing midshipman William H. McGregor, a fourth class man, was completed today before the court martial at the Unitde States naval academy here.

The finding of the court will not be announced until the reviewing authority has acted upon it.

DELAY WITHDRAWING YANKS FROM RHINE

WASHINGTON, Oct. 23.—Plans for the immediate withdrawal of American troops from Germany have been cancelled and it is now likely that the army of occupation the Rhine will not be withdrawn until winter, it was learned at the war department today. Officials would give no reason for the change in plans.

In Russia and Uruguay women may vote at the age of 18. In Germany they may vote at the age of 20, except Bavaria, where the age is 23, the same as in Norway and Sweden. The age in Finland is 24, and in Denmark 25, in Great Britain 30. In all other countries it is 21.

CHIROPRACTIC

Consists Entirely of Adjusting the Movable Segments of the Spinal Column to Normal Position

Easy to See

The righteousness of the great principle of CHIROPRACTIC.

CHIROPRACTIC is reasonable because it is in accordance with nature's law.

The greatest liability of humanity is disease,—your greatest asset is HEALTH. On which side of life's ledger do you stand?

Ill health and disease means a shorter life, but as far as it is within man's power we hold stronger to this indefinable something than anything we possess.

Each moment our energy is manufactured and distributed to all parts of our body through natures wonderful communication called "The Nervous System." Health results from a free passage of nerve current over the main trunk nerves as they pass from between the small Bones in our Spine called "Vertebrae."

The CHIROPRACTOR adjusts the vertebrae of the Spine to relieve nerve pressure that causes dis-ease.

The layman can easily see that the CHIROPRACTOR is the master mechanic who adjusts these short circuited wires of The Nervous System—health resulting.

The Chiropractor does not treat the trouble, if there is trouble, but looks for its cause. He finds it and fixes it; and then Nature effects the "Cure."

(RIGHTS RESERVED)

The United Chiropractic Board of Education appointed the following committee of chiropractors to carry on an educational campaign for the science of chiropractic. Articles will be published in this newspaper each Monday.

AMHERST TIGERS TO HURON ELEVEN, 6 TO 0, AT AMHERST SUNDAY

AMHERST, Oct. 23—The County Home Canners of Huron defeated the Amherst Tigers football team by a 6-0 score at Brandt's park yesterday afternoon. The first three quarters were scoreless, but seven minutes after play in the last period a blocked pass fell into Traynor's arms and he made a 40-yard sprint for the goal line.

The Amherst lads threatened to score after the Huron team had registered on sensational line plunges and passes, but the final whistle came too soon. The lineup and summary:

GRAND—A man's answer to Edith M. Hull's "The Sheik," Such a line is inspired by the Paramount picturization of Arthur Weigall's novel, "Burning Sands," now showing. This is the powerful story of an English girl who seeks the man she loves and makes him love her. As in the case of "The Sheik" the one who sought love triumphed. Wanda Hawley is the girl and Milton Sills the man, and there is a powerful supporting caste.

AMERICAN—"Grandma's Boy" This story is full of human interest and is a winner. Grandma's boy is the kid who used to have the other kids steal his bottle away from him when he was in the crib. When he went to school all the other boys took his luncheon and his books away from him and when he grew up his rival took his girl away, and threw him into a well besides. His clothes shrink, so that he cannot go to a party, and grandma gets out grandpa's old suit, moth balls and all, and what ensues at the party is a side splitter. He gets his nerve and the result is highly entertaining.

DREAMLAND—Gladys Walton in "The Girl Who Ran Wild". Gladys is a tomboy right, and she gets into all kinds of scrapes, many of them very amusing. The picture is a strong one all through. Tuesday another episode in "In the Days of Buffalo Bill."

ELABORATE MUSICAL PROGRAM BY ST. MARY'S WEDNESDAY EVENING

An event which is of interest to the people of Elyria is a joint recital which will be given by the K. of C. orchestra, and St. Mary's choir next Wednesday evening Oct. 25th, at the High school auditorium on Sixth street. These annual entertainments have become an established fact, and they occupy a conspicuous place in Elyria's musical circles. As on previous occasions, this entertainment is under the personal direction and supervision of Father Frey who has endeavored to arrange a program of vocal and instrumental numbers that will please all classes and satisfy all tastes. These musicales have become very popular, and this one promises to eclipse them all.

The K. of C. orchestra now consists of sixteen members. Although not very large, it is well balanced, and it can boast of being the best amateur organization of its kind in this part of the state. It renders difficult compositions with ease and facility.

St. Mary's choir is an organization of long standing. It has reached a high standard of excellency under the efficient direction of Mrs. Jack Huge, organist, who has labored most assiduously for its advancement. The members will render Gounod's "Sanctus" and the "Inflammatus" by Rossini with orchestral accompaniment. These [illegible] difficult numbers composed [illegible] Masters of the musical art [illegible] have thrilled vast audiences [illegible] as well as in America. [illegible]

[illegible] of those taking [illegible] in the program [illegible] Miss Anna Martin [illegible] Miss Rose Kirkeride is not able to take her scheduled part in the program on account of illness. Miss Jean Gossner and Miss Ella Koene will execute several difficult piano numbers.

An invitation is extended to all the people of Elyria. The program speaks for itself, and will be rendered as follows:

Sweet Briar Overture, Laurendeau—K. C. Orchestra.

Piano Solo, Rigaudon, McDowell; Etude Melodique, Rogers—Miss Jean Gossner.

Violin Solo, The Last Rose of Summer (air varie), Bowman—Father Frey. (Piano Earl Daniels.)

Vocal solo, The Bandolero, Stuart, Rose, Hawley—John Whelton. (Piano, Mrs. Jack Huge.)

The Golden Sceptre, Schlepegrell; A Night in June, King—K. C. Orchestra.

Violin duet, Abandon, Cradle Song, Serenade, (Godard)—Alvin Bemis and Wm. Conrad. (Piano Walter Hinkle.)

Piano solo, Grand March de Concert, Wollenhaupt—Miss Ella Koene.

Vocal solo, Happy Day, (Violin Obligato Alvin Bemis); The Star, James Rogers—Laura Tillack Grubbs (Piano, Mrs. Jack Huge.)

Old Favorites, Seredy; The Spirit of the West, Hammer—K. C. Orchestra.

Violin solo Minuet, Paderewski; Hungarian Sketch, Horvath—Miss Anna Martin. (Piano Mrs. Jack Huge.)

Trio (Violin, Cello, Piano,) Romance Sans Paroles, Van Goens; Menuet, Galensin—Wm. Conrad, Leonard Wagner, Walter Hinkle.

Sanctus, Gounod, Inflammatus (From Stabat Mater), Rossini—St. Mary's Choir.

HISTORICAL PLAYLET FOUNDING METHODISM, PRESENTED BY SOCIETY

A program of exceptional character and historical value was given last Friday evening to a crowded Sunday school room at the Methodist church under the auspices of Mrs. Wm. Beal's group of the Woman's Home Missionary Society.

The meeting was opened by singing Charles Wesley's best known hymn, "Jesus Lover of My Soul," followed by The Lord's Prayer.

Miss Dorothy Henry, dressed in Indian costume, showed artistic ability in her reading of the beautiful poem, The 23rd Psalm in the Indian Sign Language.

Mrs. A. T. Glew and Mrs. Merton Elliott sang in a delightful manner, the duet, "Robin Adair."

A playette entitled "An Imaginary Ancestors' Reunion" representing the founding of Methodism in the United States was given by the following cast of characters:

Philip Emberry....W. E. N. Hawk
Mrs. Emberry ...Mrs. W. B. N. Hawk
Bishop Asbury.....C. M. Williams
John Wesley........C. W. Koppes
Susanna Wesley....Mrs. Wm. Beal
Barbara Heck....Mrs. H. Baumer

All of whom, dressed in the style of 1787, took their parts splendidly and were enthusiastically received. Though dealing with historical facts it was so interspersed with humorous incidents as to make it entertaining as well as educational.

Wm. Bennington gave his personal recollections of the founders and early pastors of the Elyria church.

Mrs. P. Rudin read "A Biography of Mrs. Francis S. Hoyt," written by her son, E. F. Hoyt, of Elyria. It was Mrs. Hoyt who wrote the constitution and by-laws of the Woman's Home Missionary Society of the M. E. church, and in her home in Cincinnati, O., forty-two years ago the Society was organized.

The Home Guards, which is the Children's Society, sang, "Faith of Our Fathers."

Mrs. Rudin, representing the W. H. M. S. urged that more interest be taken in Home Missions, that America be cleaned up and made fit for the eyes of the world to look upon.

Many of the ladies present were dressed in clothes of years ago, which added much to the social time following this program, which all agreed was very much worth while.

MISS NIELSON HOSTESS AT HALLOWEEN PARTY

Miss Karen Nielson was hostess at a Halloween masquerade party given at her home on Middle avenue, Saturday evening. Eight girls and eight boys were present. Richard Kuss, who was dressed as a Spanish dancer, secured the prize for the best costume.

The home had been attractively decorated in Halloween ornaments for the occasion. A radio concert was enjoyed and a grab-bag proved to be very amusing and exciting. Light refreshments were served at a late hour.

MRS. GEORGE BUSH GIVEN SURPRISE

Mrs. George Bush, of Hamilton street, was pleasantly surprised at her home yesterday when a number of friends gathered to help her celebrate her birthday. A dinner was served, covers being laid for ten.

A. J. Kolbe rendered several violin solos, Mrs. Kolbe accompanied at the piano. The guests departed at a late hour wishing Mrs. Bush many more birthdays.

HIGH SCHOOL DEBATE CLUB MEETS

The High School Debate Club met Friday afternoon and the subject of a debate to be had in the near future is "That Ohio High Schools Shall Furnish Free Text Books." Tryouts have been held to secure members for debate teams and it is expected that the members for teams will be chosen at the meeting, next Friday afternoon.

MRS. COX ENTERTAINS IN HONOR OF DAUGHTER

Mrs. B. A. Cox, of Phillips court, entertained at a delightful Halloween Birthday party Saturday afternoon, in honor of her daughter, Ellen's twelfth birthday. Fourteen friends were present and spent the afternoon in playing Halloween games. At a late hour delicious refreshments were served.

Miss Helen Wade, of Oberlin, was the only out-of-town guest present.

Mr. and Mrs. F. M. McClintock and son Keith, of Middle avenue, called on Oberlin friends Sunday.

LAKE ERIE COLLEGE REUNION DINNER HERE ON TUESDAY EVENING

The Lake Erie College reunion dinner in Elyria is to be held at the Y. M. C. A. at six Tuesday evening. Among those who are to speak at the local dinner are Miss A. D. Lewis of the college faculty; J. F. Burke of Elyria, and Attorney George Resek of Lorain. Mrs. Frank Ayers of Lorain, will sing.

Alumnae from nearby towns, including Oberlin and Lorain, are to join with the Elyria alumnae for this reunion. Miss Anna Mowrse of 315 Middle avenue, is in charge of arrangements for the dinner. Mrs. James W. VanDusen of 315 Middle avenue, is city chairman for this city.

The reunion dinners are to be held simultaneously in 50 cities for the purpose of launching the college's nation-wide campaign for one million dollars.

Dinners have been arranged in cities as far east as New York and as far west as Seattle. They are to be in charge of local alumnae who head the drive in the various cities. Members of the college faculty and prominent local speakers have been secured to appear on the dinner program. At these dinners full details of the campaign plans are to be discussed and suggestions made as to the best way for alumnae to raise their individual quotas, which in each case is $295. This quota was arrived at by dividing the amount to be raised by the alumnae body by the number of former Lake Erie College students who could be located. One-half of the million dollars is to be secured by trustees and friends of the college in the form of special gifts.

Gifts totalling $275,000 have already been received. These gifts include a tentative gift of $200,000 from the General Education Board of Rockefeller Foundation, which has granted Lake Erie College the highest rating ever alloted to colleges conducting similar campaigns. The gift is offered toward the half million dollars which the college is raising exclusively for endowment on the condition that the college raise the remaining $300,000 by a specified date. Ordinarily this board grants exceptionally deserving colleges one dollar out of every three dollars sought by such institutions up to a certain amount. However, following an examination of the standards and needs of Lake Erie College, this organization granted the college forty per cent of the total amount sought for endowment.

The campaign is scheduled to run for three weeks, beginning October 24 and ending November 14. Half of the million dollars is to be used to build a new dormitory, a new power house and to provide much-needed equipment. James R. Garfield, former secretary of the interior, is national chairman for the campaign, and Lawrence Hitchcock, president of the Federal Lime and Stone Co. of Cleveland, is chairman of the national executive committee.

Lake Erie College is one of America's pioneer higher educational institutions for women, having been founded originally as a seminary in 1847. All of its students are required to live on the campus, and the college faculty is kept large in proportion to the number of students enrolled in order that the students may be "hand-taught." Dr. Vivian Blanche Small is president of the college.

NORMAL STUDENTS ENTERTAIN AT PARTY

One section of the Junior Class of the Lorain County Normal School entertained the Seniors and the remaining class members at a delightful Halloween party on Saturday evening. The party was given in the gymnasium of the Ely school building and Halloween decorations were used throughout. Ghost stories were told by a ghost and several games were played. Dancing was also a diversion of the evening. Delicious refreshments were served at a late hour.

FRIENDLY BIBLE CLASS TO HOLD MEETING

The Friendly Bible class of the First Baptist church will meet in church annex, Tuesday evening.

H. K. Finley, teacher of the class, is bringing a series of evangelistic messages, preliminary to the special meetings, which will be conducted by Rev. R. E. Neighbour, beginning November 19th.

The music of the Friendly Bible class is conducted by Chorister F. A. Yost with special music for each weekly meeting.

The message for this week will lead with "Paths, New and Old," and is a subject which will appeal to students of human nature.

Jacob's Drop Kick Enables Eagles to Trim Grafton 3-0

Jacob's accurate drop kick from a difficult angle from the 30 yard line in the first quarter enabled the Elyria Eagles to defeat the Grafton Indians at Grafton Sunday by a 3 to 0 score and paved the way for the locals to win the county championship in their class although it is admitted that before this is accomplished the Barbers and Candies 11 have to be reckoned with.

The game attracted the largest crowd of the season at Grafton with over 1,000 in attendance and the ticket sale numbering 640.

The Grafton team was kept on the defensive throughout the game and the phenomenal line-plunging of Reynolds would have ordinarily netted the Elyrians a couple of touchdowns had it not been for costly fumbles and Grafton getting the breaks of the game through wide-awakeness in recovering fumbles.

Young, of Elyria, played a star game for the Grafton team. Pomeroy and Peabody played a spectacular game and star plays were enacted by Myers and Kershaw.

The game resorted into a punting and forward passing game with Jacobs toe being master in the first division and the locals connecting for the most forward passes in which neither department accomplished much due to constant interruption by players on the opponent team.

It was one of the hardest fought games staged at Grafton and clearly emphasized the supremacy of the Elyria team and reiterated the local victory by a 6 to 0 score the previous Sunday which was suddenly terminated near the close in a row.

The Elyria team's greatest weakness appears to be in the failure to hold onto the ball. Repeatedly throughout the game the locals "fumbled" chances to refrigerate the game with a touchdown. And the playing of Reynolds is admitted by fans to have been deserving of a touchdown. The bullet-like plunging has seldom been equaled on the Grafton gridiron and his playing is expected to be a big contention in the game between the Eagles and the Candies here next Sunday in the second battle for the city championship, the Candies having drawn first blood.

Elyria pulled a nifty forward pass, Henderson to Pomeroy in the second quarter which was good for 80 yards. In this quarter Kershaw grabbed a triple fumble and and he got away for a touchdown.

In the third quarter Meyers intercepted a forward pass and ran 20 yards before being downed.

In both the third and fourth quarters the Eagles "wormed" the ball to the five yard line and each time, as in pinches, the Grafton line held like a stone wall.

The game was officiated by no les than Collins and Daniels, the Lorain high coaches and the game was free from arguments and played up to the full enactments of the rules and regulations.

THREE FORMER HIGH STARS ON COLLEGE TEAM

By CLIFF HENNINGS.

"Baldy" Guthman, ex-Elyria high quarter and last year's second "all league" selection for quarterback, has made good at Hillsdale college, Michigan.

Guthman sharted out at the guard job but Coach Ost shifted him to right half in last Saturday's game and his move made a big improvement as "Baldy" scored two touchdowns and a place kick against Defiance last week, securing thirteen of his team's nineteen points. Hillsdale's right-half already has six quarters towards his letter and Hillsdale has several more games to play.

"Buchy" Beal and "Truck" Crowe are also enrolled at the Michigan institution. Both were members of last year's White and Crimson team and are making a strong bid for places on the varsity. Both men broke into the game two weeks ago. Beal playing at tackle and Crowe on one of the wings.

"Nell" Krugman, another Elyria boy and former E. H. S. player, stands a good chance of landing the center position. He was unable to play early in the season but is now back in harness and holds much promise to come through before the season closes.

Heidelberg	2	0	2	000
Western Reserve	2	0	2	000
Cincinnati	1	0	1	000
St. Xavier	0	0	0	000

There are three strange faces on the Ohio Conference standings this year. With the season nearly half spent, Ohio Wesleyan, Ohio university and Mount Union are sitting right up there on the first seat touching shoulders with the four big ones of the circuit—Wooster, Oberlin, Miami and Wittenberg.

And no doubt the cracks of calamity howlers for the peers of supposedly stronger opponents have so far served to shake the confidence of these newcomers that they still will be out in front when the bally ho reaches the conference plum orchard some time late in November.

True, the Delaware, Athens and Alliance elevens have yet to enter the hardest parts of their schedules. But from what has occurred so far this season there is little reason to assert that Wesleyan and Ohio at least will not meet their adversaries of the coming five weeks on anything less than even terms.

In fact, Ohio has an excellent opportunity to finish the season with a spotless conference record. The Athenians have but two more games between them and a final average of 1000 per cent and one of these tilts is against an acknowledged weaker team, Otterbein. The other is with a harder adversary, St. Xavier, on Nov. 4. Upon this game doubtless will hinge Ohio's chance of tying up in first place. Remaining dates on the Athens card are non conference affairs. Bethany at Wheeling, West Virginia at Morgantown, and Marietta at Marietta.

For Wesleyan the proposition of a perfect score presents a sterner task. With Wittenberg, Miami, Case and Denison in the offing, the Methodist will have earned demonstrably any conference laurels they may happen to annex.

At present, Wesleyan carries at its belt the scalps of Otterbein, Ohio Northern and Cincinnati, the latter being still fresh from Saturday's battle field.

Of course, the Delaware outfit did little more than the expected in trimming Cincinnati. The Queen City team having been hammered unmercifully in three disastrous intersectional tilts, was considered out of the conference race before its state schedule began. The Ohio river boys in fact, were elated that they should be able even to score on their up-state rivals Saturday. However, when a formerly strong conference team congratulates itself on being able merely to hold down a team which last year won but a single game, it indicates clearly the improvement the latter has made.

Ohio Northern, the eleven that Wesleyan wrested a 14 to 0 victory from the week previous, showed Saturday that it is no mean foe by holding Miami to a 6 to 0 score, which is another boost for Delaware stock.

Just Practice for Ohio

Cleveland had the privilege of seeing in action Saturday the Ohio university team that jumped into a leading role on Oct 14 by eliminating the "Big Red" machine of Denison. Western Reserve, as host, was obliged to be as polite as possible and accordingly succeeded in giving its guests a minimum of annoyance during the visit. As a result Ohio spent a very profitable afternoon brushing up some of its plays and went home that evening with thirty-seven more points added to its season total.

Mount Union, which seems on the eve of enjoying that long awaited athletic revival, proved that it has a respectable football team by tearing a 6 to 0 victory from Kenyon, whose eleven, by the way, has proven one of the disappointments of the conference season.

Three of the Big Four aggregations of the Ohio circuit failed to come through the week-end with their goal lines inviolate. In the struggle for the southern supremacy of the conference Friday Wittenberg and Denison put on a delightful track meet at Granville with the Lutherans breaking the tape just a nose in front of their rivals, 27 to 20. The fact that Denison ran up twenty points, coupled with the recollection that Reserve managed to score on Wittenberg the Saturday before, fails to indicate any great strength in the Springfield team's defense this year.

Otterbein Surprises Wooster

Brother Boles' Wooster juggernaut won rather easily from Otterbein, Friday, which was as the book read, but the fact that the losers scored two touchdowns on their mighty enemy must have given the Wooster mentor considerable irritation.

Hiram attempted to play a joke on Oberlin Saturday by putting across a touchdown in the first quarter. It was a tragic jest, however, for it stirred the Congregationalists to such wrath that they rolled up thirty-three points. But Hiram went home satisfied, for a score's a score, even if you do "get beat."

Akron university, after losing to Wooster and Miami and dropping from the list of conference contenders, came back into the win column Saturday at the expense of Case, 12 to 0. At the Cleveland Case Club luncheon last week one of the speakers stated that, inasmuch as the Scientists had been given one of the hardest schedules in the conference, which they were forced to face with an exceptionally green team, it might come to pass that the Casers would be forced to test the loyalty of their alumni and fans by losing all but one or two of their remaining games. The Akron defeat indicates that unless Dame Fortune comes to Case's help with both hands the speaker's prediction may turn out to have been painfully accurate.

Outside the conference and excepting of course, the Michigan-Ohio State classic at Columbus, the most interesting game of the week end was in Cleveland, where the St. Ignatius team achieved the signal honor of holding to a 19-19 tie the highly touted Cincinnati St. Xavier outfit. The game leaves the Catholic championship of Ohio in doubt and it marks the Cleveland Saints as a worthy opponent for practically any team in the state. And if Xavier should happen to make a good showing in its coming battles with the Navy, Ohio university and the Haskell Indians, the Ignatians even more enthusiastically can shake hands with themselves. Perhaps it is rude to say so, but it begins to look as if perhaps there is a real collegiate football team in the Fifth City.

Ashland college continued its inroads on the Ohio conference by trimming Heidelberg, 13 to 6. Muskingum turned back Broaddus easily, 15 to 0. Kent Normal proved a poor match for Baldwin-Wallace succumbing 32 to 0. Wilmington trounced Kentucky Wesleyan, 31 to 3. Toledo barely managed to beat Hillsdale of Michigan, 6 to 0.

Dragging out, dusting off, and dry-cleaning the age-old epic we arise to state that you can't never, sometimes tell just how many chicks you get before the barrier has been pried open, nor can you count your ball games before the last smoke of battle has cleared away.

Several interesting things happened in last week's battles which go a long way in proving the above.

Sandusky High came here Friday with a team which according to the Winetowners "had struck its stride and was out to cop the League Chmpionship". Elyria's whirlwind attack and defense turned the expected League Champs back 27-0 and now the Blue and White team realizes that they struck something else besides their stride and also that the White and Crimson can be counted on to be in the running to the end of the campaign. Sandusky fought hard but she couldn't do anything. 'Curt' Krebs, the Blue and White temporary quarter, pulled a spectacular stunt when he punted 40 yards to Dangerfield, of the locals, and then sprinted down the field tackling 'Danger' before he could raise a foot. Krebs got away some pretty punts showing much improvement since the Fremont game.

Saturday's menu offered something odd and out of the ordinary in League circles especially the Norwalk-Oberlin game. Oberlin journeyed to Norwalk expecting an easy victory instead the plucky Maple-City crew fought their best game of the season. Norwalk led 7-6 at the end of the first half. Whittaker and Richardson each took it over in the third stanza but Cooley failed to boot it over in the try-for-point. Norwalk's lack in the last period was nothing short of tragic. Oberlin scored again after the ball had been placed inside the Norwalk five yard parallel on penalties. With the score tied at 13 all, Oberlin in possession of the ball on the Maple City's 16 yard line and one minute to play, Umpire Opplet of Lorain called a penalty on Norwalk for holding. The ball was taken to Norwalk's one yard parallel and Oberlin took it over winning the game 19-13. Under the 1922 Official Rules a defensive team is only penalized five (5) yards for holding while Norwalk was forced to take fifteen (15). This led to a disagreement which developed into a riot as the Norwalk players and spectators attacked the Umpire. He, however, was not badly hurt.

Another odd incidence was the opposition that Lorain High met at Fremont. Fremont before the game was expected to be swamped as Norwalk had beaten Fremont early in the season while Lorain's eleven snowed under the Maple City lads two weeks ago 43-2 using every player on the Purple and Lavender squad. Fremont, however showed a fast and sure defense against Coach Collin's outfit for three scoreless periods but 'Johnnie' Alexander, Lorain's right wing man, broke loose and sprinted 15 yards for a touchdown in the final period. A few minutes later Ross took it over again, Pineura made good one try-for-point and Lorain won 13-0. Next week Lorain High will meet Akron North at Lorain while the other League Teams will rest.

LORAIN TRIMS FREMONT

FREMONT, Oct 23.—Shoving over two touchdowns in the last quarter, Lorain High school's football team emerged victorious over Fremont High 13-0, here Saturday in Lorain's second little big seven victory of the season.

A few minutes after the start of the fourth quarter, after line plunges by Pineura, Thomas and Ross had worked the ball to Fremont's 15-yard line, a line pass to Ross gave Lorain its first touchdown. Pineura drop kicked for the additional point. Near the middle of this quarter, Alexander, Lorain's right end, picked up a Fremont fumble and ran 60 yards for a touchdown. Pineura missed goal.

BELLEVUE ALSO WINS

BELLEVUE, Oct 23.—Forward passes during the third and fourth quarter gave Bellevue victory, 18 to 6 over Tiffin High in a game here Saturday afternoon. Tiffin's score came in the final quarter through Bellevue's line after a penalty had advanced them fifteen yards to within a few feet of Bellevue's goal.

NORWALK SORE LOSER

NORWALK, Oct 23.—A 'Big Seven league football game, won by Oberlin High school from Norwalk, 19 to 13. Saturday was marked by an attack on Umpire Opplet of Lorain by Norwalk spectators and players at the close. Opplet was protected by spectators and was not badly hurt.

Two of Oberlin's touchdowns were made after the ball had been placed within Norwalk's five-yard line on fifteen-yard penalties. The game was one of the hardest played here in many years.

Norwalk led, 13 to 12, until the last two minutes of play.

Severe penalties bettered the chances of Norwalk to score. The Norwalk eleven was outplayed through the entire contest and but for the excellent work of Whitaker, Captain Betts and Bowers, might have finished scoreless.

The first quarter got off with a bang, Oberlin pushing the Norwalk team up the field steadily with line bucks and end runs. Norwalk played off side and was penalized up to within six yards of their goal. Rudikoff of Oberlin took the ball through tackle and scored the first touch down of the game.

During the third quarter when Oberlin was 35-yards from Norwalk's goal, an Oberlin pass sailed over the heads of the Norwalk line and nestled in the arms of an Oberlin man who stood behind Norwalk's goal. The points were refused by the officials because of an off side play on the part of Oberlin.

Oberlin's off period came in the second quarter. One penalty after another put Norwalk near Oberlin's goal. Seven yards remained to be covered and Whitaker of Norwalk took the ball across. Bowers made the drop kick.

In the third quarter fortune again favored Norwalk. Oberlin fumbled a punt and Captain Betts of Norwalk grabbed the ball and gained 17 yards to Oberlin's two yard line.

On the next play Whitaker of Norwalk sailed around left end for Norwalk's second touchdown. Norwalk failed to kick goal.

Richardson of Oberlin scored around left end in the last quarter. Cooley kicked goal.

Bannon's Lose Hold On First Place in City Park League

The Richwine Ice Cream baseball team reinforced by several Elyria City team players easily defeated the Bannon Theatre team yesterday at Cascade Park by a 7 to 1 score.

This defeat of the Bannons puts the Legion in first place. Bannons by defeating the Greenwoods next Sunday can tie the lead at the most.

Wragg starred in the field for Richwines and in addition made two hits in five trips to the plate. Richwine starred in the field.

AMHERST PROS BEATEN 21 TO 0

AMHERST, Oct. 23.—The Ruth semi-pros. met defeat in the hands of the Wagner Parks of Columbus, at Columbus yesterday by a 21-0 score. The absence of Frey regular full-back and Goulde, the locals fast end, probably accounts for the large score.

INTERSECTIONAL GAME FOR OBERLIN

Oberlin Meets Amherst in First Ohio Game With New England Team; Big Home Coming Game Saturday

OBERLIN, Oct. 23.—An intersectional football contest which is sure to arouse considerable interest is the game scheduled for next Saturday when Amherst comes west to tackle Oberlin. To the natural interest surrounding the game is the added fact that Saturday is the annual "Homecoming Day" for all Oberlin alumni and former students. The Amherst alumni from this part of the country also promise to help make the day interesting.

Oberlin college has never sent a football team farther east than Cornell at Ithaca, and Amherst has never gone west of Clinton New York. This game is not only the first time Oberlin has met an eastern team on the gridiron, but it is also the first game between an Ohio conference and a new England conference eleven. Both Amherst and Oberlin are schools of the same character, demanding scholarship above athletic prowess but still turning out successful teams. The Amherst-Oberlin football classic is likely to become an annual affair.

Under the supervision of Alumni Secretary Ament of Oberlin, big plans ar under way for the "Homecoming." The advance sale of tickets has been large, and about a thousand alumni and families are expected to be present. A large number of Amherst enthusiasts are also expected for the celebration. A squad from St. Louis have chartered a car, while other blocks of seats have been sold to groups from Detroit, Columbus, Chicago, Pittsburgh and Cleveland. The Amherst team will arrive with its rooters on Friday morning.

An Amherst-Oberlin "smoker" will be held Friday evening and at that time movies of both colleges will be shown. The alumni of both schools have a social hour Saturday afternoon after the game and a dinner in the evening. The two teams will be treated to dinner at the Men's Commons. A football dance will be held in the evening.

LACE MAKERS, COLSON TEAMS WIN OPENERS

Opening the season with a rush the Y. M. C. A. Industrial Indoor base ball league started and two games were played while a fifth team loafed for the evening.

The first game booked to open the league as well as the season was between the Colson Co. and the General Phonograph Co. This marks the Colson Co. first season in the Industrial league but from the showing that they made last night against the Phonograph Co. they have some fine material to represent their factory in the Industrial league and should be a hard opponent for any of the teams. The General Phonograph has been playing several seasons in the Industrial league and have a fine combination but last evening ran against a real gang when they lost their first game to the Colsons by the close score of 10 to 6. The batteries for both teams did excellent work which shows the low score of the game.

The Columbia Steel and the Western Automatics were scheduled for the second game of the evening but was not played. The Columbia Steel playing a scrimmage against the All Stars.

Playing in midseason form the American Lace had to travel a fast pace in order to defeat another new comer to the Industrial league in the Worthington Ball team. Spectacular plays and fast fielding made up this game and the pitching of both batteries being of a high class for this early in the season. The American Lace trailing until the fifth inning when they found their stride and was just able to nose out the Worthingtons at the wire by the close score of 9 to 7.

The game was well attended and should prove to be as popular if not more so than last years contests.

Barbers-Candies Battle to 7 to 7 Tie Game Sunday

The Kolinski and Birmingham Barbers battled the Moulton Candies to a 7-7 score yesterday at Riverview park. The Moultons were planning a walkaway and were surprised.

The game was hard played and the Moultons had to insert Kolopus in order to score. The whole Barber team played a clean game.

The Barbers made their touchdown on the kickoff when Zackariah stood behind the kicker and raced down the field and covered the ball over the line. The Moultons claimed it was not a touchdown but Referee Wildman showed them the rules. A pretty pass from Findley to O'Brien netted extra point. The Candies scored in the second quarter when Kolopus carried it over. At this play five downs were given the Moultons as the headlinesman favored the Moultons. The Barbers made a protest and the referee selected one from the crowd.

The Barbers also showed Elyria fans what they could do at home, also when they marched down the field time and time again only to be stopped on the 20-yard line. They played real foot ball, and every man showed his ability and showed it well.

This game places them as one of the best teams in the county and they deserve it by hard, clean playing. The Moultons were not able to stop their terrific plunging.

Wildman, of Norwalk, refereed a clean, square game and also deserves credit.

The summary of games as follows:

LOCAL SOCCERS WIN FROM LORAIN

Playing against Lorain Magyars here Sunday, Elyria came out victors by the odd goal in three. A large crowd was present and enjoyed a game that was full of excitement from the start until the final whistle blew.

Smith won the toss for choice of ends and Elyria started with the wind behind them. Ten minutes from the start Lorain scored a goal from a penalty. Anderson putting the ball way out of the home custodian reach. Enlivened by this setback Elyria played with more determination but their efforts were unsuccessful. Lorain's goal bearing a charmed life. Half time came with Elyria still pressing Lorain 1, Elyria 0.

On resuming the game it was seen that the home team had rearranged their line-up. Play this half was even more stubborn than in the first period. Lorain was eager to retain the lead and Elyria to wrest it from them. A ding dong battle ensued until 8 minutes from the end. W. Spray got the ball and after eluding three or four of the opposition, finding himself in a favorable position, sent in a fast low drive which equalized the scores. After this only Elyria was in the picture. Smith, after several attempts, finally sent in a shot which had Lorain's goaler guessing and which proved to be the winning goal. Time was called soon afterwards with the score, Elyria 2, Lorain Magyars 1.

In memory of our dear husband and father who passed away Oct 23, 1920

Two years have passed and gone
dear father
Since you were called away
How well do we remember,
That sad and weary day
None know how sad the parting
And what the farewell cost,
But God and his loved angels
Have gained what we have lost
Call not back the dear departed
Soon to meet and part no more
When we leave this world of chances
When we leave this world of care
We shall find our missing loved one
